foreword by jordan maxwell this incredibly detailed book reveals the hidden meanings behind occult signs and symbols from ancient times found in what is termed stellar theology and then carried over into modern religions few people have any knowledge of the occult or hidden connections between judaism christianity and the bible with world freemasonry brown a freemason provides these important connections covers ancient astronomy and how it became incorporated into the various religions also explores the worlds early legends and symbols and how they were connected to ancient astronomical systems these revealing facts form the basis for many of todays religious concepts and belief systems

the film zeitgeist became an overnight internet sensation with its claims christianity was based upon a pagan solar mythology this idea developed in the eighteenth century but dismissed as ridiculous by scholars has held support among anti religious and occultic thinkers and recently was popularized by conspiracy theorists in the first of a two volume critique of these ideas albert mcilhenny takes on the claims of its best known supporters by the end of this volume the theory of astrotheology is shown to be based on various historical mistakes popular in early modernity but since shown to be erroneous it is demonstrated the source of its current support is not based upon any evidence but the wild claims of conspiracy theorists dressed up to look like scholarship

this book proves there is nothing new under the sun regarding many of our modern religious beliefs this includes christianity and how many of its beliefs could be far older than what we have suspected it gives a complete run down of the stellar lunar and solar evolution of our religious systems and contains new long awaited exhaustive research on the gods and our beliefs

the book your church doesn't want you to read presents a rare and honest look at one of the most controversial issues of all time religion packed with essays from world renowned theologians historians and researchers this ground breaking anthology exposes misrepresentations challenges age old beliefs and seeks to reveal the whole truth to anyone who has ever been told what to believe it discloses the shocking origins and frail histories of the worlds major religions and answers questions you never even knew you had but more than anything the book urges and inspires readers to think for themselves book jacket

who really runs the world who controls the money the politics and almost every facet of life without you knowing a thing about it is such a thing possible maxwell grew up in a family that had high ranking insiders in international politics and religion so had access to information that few people could imagine he continued with a lifetime of investigation and is now considered the worlds foremost authority on ancient religions and modern conspiracies he has appeared on three cbs television specials and countless radio shows his work on the true meaning of symbols in politics religion and major corporations is also covered in this highly illustrated book explore this fascinating subject with a man who has devoted a lifetime of study to uncovering our hidden masters
